

**FY 2003 DoD Instrumentation Program
for Hispanic-Serving Institutions**

Award Recipients

Institution	State	Principal Investigator	Proposal Title
Barry University	FL	Dr. Mary E. Handel-Fernandez	Implementation of an Integrated Laboratory System in the Microbial Sciences
California State University - Northridge	CA	Dr. Nicholas G. Kioussis	Acquisition of a Parallel Beowulf Cluster for Computational Materials Research and Education
California State University, Bakersfield	CA	Dr. Kamel N. Haddad	Computer Laboratory for the Enhancement of the Academic Achievement of Minority Students
California State University, Los Angeles	CA	Dr. Susan E. Kane	Electron Paramagnetic Resonance Spectrometer and Flow Cytometer for State-of-the-Art Undergraduate Research at Cal State LA
Donnelly College	KS	Ms. Karen Judy	Donnelly College Science Curriculum Expansion
Florida International University	FL	Dr. Stanislaw Wnuk	Acquisition of 600 MHz NMR Spectrometer
Mercy College	NY	Dr. Natalie B. Bronstein	Facilitating and Enhancing the Biotechnological Learning Experience at Mercy College
New Jersey City University	NJ	Dr. Kenneth Yamaguchi	Enhancing the Quality of Student Learning Through an Environmental Science Curriculum
Our Lady of The Lake University	TX	Dr. Darcey G. Wayment	Enhancing Undergraduate Interdisciplinary Science Education and Research for Chemistry Students
Rio Hondo College	CA	Dr. Allen Leung	The Enhancement of Science Curricula Through Quality Undergraduate Laboratory Experiences
St Mary's University	TX	Dr. Richard L. Cardenas	Acquisition of Advanced Scientific Instrumentation for Multi Disciplinary Research Training and Education
Texas A&M University, Kingsville	TX	Dr. Venkatesh Uddameri	Enhancing Instrumentation Capabilities at TAMUK to Perform Advanced Environmental Analysis
The City College of CUNY	NY	Dr. John M. Tarbell	Acquisition of a Multifunctional Confocal Microscope
The University of Texas at San Antonio	TX	Dr. David M. Johnson	Bio/Chemical Sensors, Biophysical and Biocompatible Materials Initiative Instrumentation Support
University of New Mexico	NM	Dr. Kenneth T. Christensen	Acquisition of a Computational Platform for Interdisciplinary Computational and Experimental Research
University of Puerto Rico at Humacao	PR	Dr. Lilliam Casillas-Martinez	Acquisition of a Biology and Upgrade for the Electron Microscopes at the University of Puerto Rico Humacao
University of Puerto Rico at Mayaguez	PR	Dr. Jose R. Lopez	Transformation of Physics Teaching Laboratories and Outreach Program
